

Salisbury Planning Commission
Minutes of the August 1, 2022 Meeting – DRAFT

Members present: Ariell Slater, Morgan Cate, Barrie Bailey, Deb Brighton

Ariell called the meeting to order at 7:02. The main purpose of the meeting was to review the draft plan, and the commission continued adding, subtracting, and revising. This work will continue during a special meeting next Monday, August 8.

A few unresolved pieces include: Figure 19 (pupil counts); swamp names; large farms; whether we need a summary discussion of roads; MALT property and public access.

The commission members wondered if the permits and conditions for the digester should be available on the town web page. We will ask the select board.

The ACRPC asked for transportation issues. We will suggest traffic around the lake, and farm trucks on rural roads.

The next meeting will be **August 8**.

The meeting was adjourned at 9:20

Ariell asked about swamp names. The screenshot below is the ANR compilation of the National Wetlands Inventory and the Vermont Significant Wetlands Inventory. It looks to me as if it is the Cedar Swamp along Otter Creek. (The Salisbury swamp is to east, where the Leicester River becomes a wetland).
